Beginning/Intermediate Pottery Class:

Have dreams of becoming a potter, or even just getting your hands in clay? Make those dreams a reality at Cherry Hill Potters Guild studio, a relaxed and creative environment. Our experienced instructors, small class sizes, (10 max.) and our new studio space provide the know-how you need to make your pottery pieces. Be introduced to a variety of ways of working with clay including: pinching, coiling, hand building, tiles, and wheel-throwing. Learn ways to decorate your pieces and how to apply glazes that will give your pieces artistic life. Bring an apron, an old towel and a mask. Tool kits are available for purchase at the studio for \$10. This class is for beginning and intermediate potters. We offer a morning class and two evening classes.
