

## **Cherry Hill Potters Guild Pottery Classes Spring 2023**

50755 Cherry Hill Rd., Suite 4, Canton, MI 48188  
cherryhillpotters@gmail.com, www.cherryhillpotters.org  
Studio - 248-873-5101

**Classes at Cherry Hill Potters Guild are syllabus instructed and designed to expose students to a variety of techniques and methods of working with clay. Student attention is required when the instructor is demonstrating various techniques both with hand-building and wheel throwing. We expect students to use class time for stretching both their skills and creative outlets as they work on individual and one-of-a-kind pieces using these techniques.**

---

### **Beginning/Intermediate Pottery Class: Tuesdays, Apr. 11 - Jun. 27, 10am – 1pm**

Cost \$350. Price includes 12 three-hour classes, open studio sessions, up to 50 lbs. of clay (with the option to purchase an additional 50 lbs.), glazes and firings.

*This class is designed for the beginner and intermediate level ceramics student, those coming into a ceramics class for the very first time with little or no experience, or those with some experience looking to build a solid foundation of skills and knowledge in a relaxed, creative, fun learning environment. In this class we will explore the ceramics making process from the ground up, utilizing a combination of one-on-one and interactive group instruction, weekly demonstrations and an assortment of class projects designed to build your skills and help you express your artistic creativity as we delve into the basics of hand building, including the pinch, coil and slab construction methods. Try your hand on the potter's wheel, learn texturing and decoration techniques and the fundamentals of glazing and glaze application to help you create one of a kind, cherished works of ceramic art.*

### **Intermediate/Advanced Class: Wednesdays, Apr. 12 - Jun. 28, 6:30pm – 9:30pm**

Cost \$350. Price includes 12 three-hour classes, open studio sessions, up to 50 lbs. of clay (with the option to purchase an additional 50 lbs.), glazes and firings.

*This class is designed for the intermediate and advanced level ceramics student looking to build upon and expand their existing knowledge and skills through both one-on-one and interactive group instruction, weekly demonstrations and an assortment of class projects designed to build on and refine technical ability as well as challenge artistic creativity. In this class we will be exploring an assortment of hand building and wheel throwing techniques, as well as utilizing a variety of decorative, texturing and finishing methods including slips, oxides, underglazes and advanced glaze applications that will help you take your ceramic artwork to the next level.*

### **Beginning/Intermediate Pottery Class: Thursdays, Apr. 13 - Jun. 29, 6:30pm – 9:30pm**

Cost \$350. Price includes 12 three-hour classes, open studio sessions, up to 50 lbs. of clay (with the option to purchase an additional 50 lbs.), glazes and firings.

### **Open Studio for students taking classes: April - June, 2023**

**Mondays, 10 AM – 1 PM    Tuesdays 6:30 PM – 9:30 PM    Saturdays 10 AM – 1 PM**

Open studio times are provided for students to continue working on their class projects and to practice their clay skills. While the teacher is not present students learn from other students and are supported by the Guild member who will monitor the session. Students are not required but encouraged to attend open studio sessions when they can.
